

Raleys Quality of Life Card

These instructions will cover three topics:

- 1) How to get an Raleys Quality of Life Card.
- 2) How to register it for Holy Rosary School.
- 3) How to verify that credit is going to Holy Rosary School.
- 4) Miscellaneous information.

How to get a Raleys Quality of Life Card

To get a Raleys Quality of Life card contact the Holy Rosary Scrip Coordinator, currently Bob Liles (754-4247 or bjliles@comcast.net). At one time Raleys gave them out at the stores, but they have stopped that practice. You need to supply the following information:

Full name

Address

Phone number e-mail address

Remember to get the maximum savings be sure to tell your family and friends to give your phone number or Savings Card number when they buy anything at Albertsons. Not only will they save when they buy, but you will earn credits at the school. Some families are averaging \$10 to \$20 per month.

How to register it for Holy Rosary school

If you already have a Raley's "Quality of Life Card" then follow these instructions. If you just got one from the scrip coordinator then it has already been registered for you.

To register your card for Holy Rosary go to: www.raleys.com

Click on "Raleys" at the bottom left side of the screen.

Move the cursor over "Neighborhood" and then click on "Quality of Life Card" on the left side of the screen.

Click on "Click Here to Activate your Card" in the right center of the screen.

Fill out the form and click on "Join now."

The next step is to register it with Holy Rosary by clicking on "Scrip

Login to the system using your card number and password.

If you just registered it could give you the following error, "We're sorry we couldn't find your account. Please try again." It may take the system some time to process your registration.

Click on "Add an Organization"

Click on "Holy Rosary School"

Change the contribution percentage to 100%

Click on "Update My Organizations"

Then log out.

Remember to get the maximum savings be sure to tell your family and friends to give your phone number or Savings Card number when they buy anything at Raleys. Not only will they save when they buy, but you will earn credits at the school.

Here are the percentages that Raleys will credit you for. This is off of their web page:

Tiered Contribution Structure:

1% on monthly purchases up to \$300

2% on monthly purchases between \$300 to \$500

3% on monthly purchases between \$500 to \$600

4% on monthly purchases over \$600

\$50 a week is \$200 a month and would only net you about \$2 a month. Some families are actually getting about \$30 a month from Raleys. Since I don't think their monthly food bill is over \$1000, I think that what they are doing is getting all of their friends and family to use their Raleys number. Because the percentages increase with more spending it is better to put it on one number than to have multiple numbers.

- **IMPORTANT:** You must provide your **SUPPORTER ID #** to the Holy Rosary School office to receive credit for your eScrip rebates toward your PTG assessment. Fill out the form on the school web site and submit it to the school office. The form can be found at <http://www.holyrosarycatholicsschool.org/Forms/Notification%20Form%20of%20Scrip.pdf>

How to verify that credit is going to Holy Rosary school

To verify that you are really signed up for Holy Rosary go to: www.raleys.com

Click on "Raleys" at the bottom left side of the screen.

Move the cursor over "Neighborhood" and then click on "Quality of Life Card" on the left side of the screen.

Then click on "Scrip" .

Login to the system using your card number and password.

All of your account information will show up and it should say:

Holy Rosary School - Antioch

Your Contribution = 100%

From this page you can also see your contributions to date. Please note that this date may differ from your Holy Rosary eScrip statement and that is why the two amounts do not match. Their YTD data goes from Jan 1st to the date that you logged on, while a report from the school goes from Feb 1st to whatever date the school collected that data from, which is probably at least one month before the report came out.

Miscellaneous information

Lost cards – Notify the scrip coordinator and a new one will be issued to you.

Multiple cards – the school allows a maximum of three cards per family, so be sure to turn in the ID# of your friends and extended family.

DISCLAIMER: Holy Rosary School has no control over the Raleys Quality of Life program and cannot take any responsibility if Raleys decides to alter or discontinue it. Each Holy Rosary family is responsible for their PTG assessment regardless of whether Raleys credits their account or does not credit their account.

NOTE: Many commercial websites routinely change their format, so the above directions may not work exactly as described. If you find that it has changed please notify the escrip coordinator and describe the changes so that it will be correct for the next user.
